Docket DOT-OST-2020-0105

**MOTION OF AIR LINE PILOTS ASSOCIATION, INTL
FOR AN EXTENSION OF TIME**

In light of the upcoming Christmas and New Year holidays, the Air Line Pilots Association, International (“ALPA” or the “Association”) respectfully moves for a one-week extension, from January 18 to January 25, 2020, to file Answers to the pending Joint Application of Delta and LATAM¹ for approval of and antitrust immunity for a proposed joint venture. *See* Notice Establishing Procedural Schedule (Dec. 21, 2021), DOT-OST-2020-0105-0038. The additional time will allow the Association and other interested parties the ability to complete their review of supporting materials submitted by the Joint Applicants and ensure that their Answers fully address the issues raised by the application and the record. As the application has been pending for nearly a year and a half, ALPA submits that a modest extension of one week is fair and warranted under the circumstances, and would not prejudice any party. ALPA has polled the Joint Applicants and has been advised that they do not object to this Motion.

¹ Common names are used for carriers.

For the foregoing reasons, ALPA asks the Department to grant a one-week extension of time for the Association and other interested parties to file Answers in this proceeding.

Respectfully submitted,

/s/ Evin F. Isaacson
